

Plantillas para los llaveros acrílicos, metálicos, símil piel y carro que vendemos en www.Uvimark.com, son plantillas editables en .PDF.

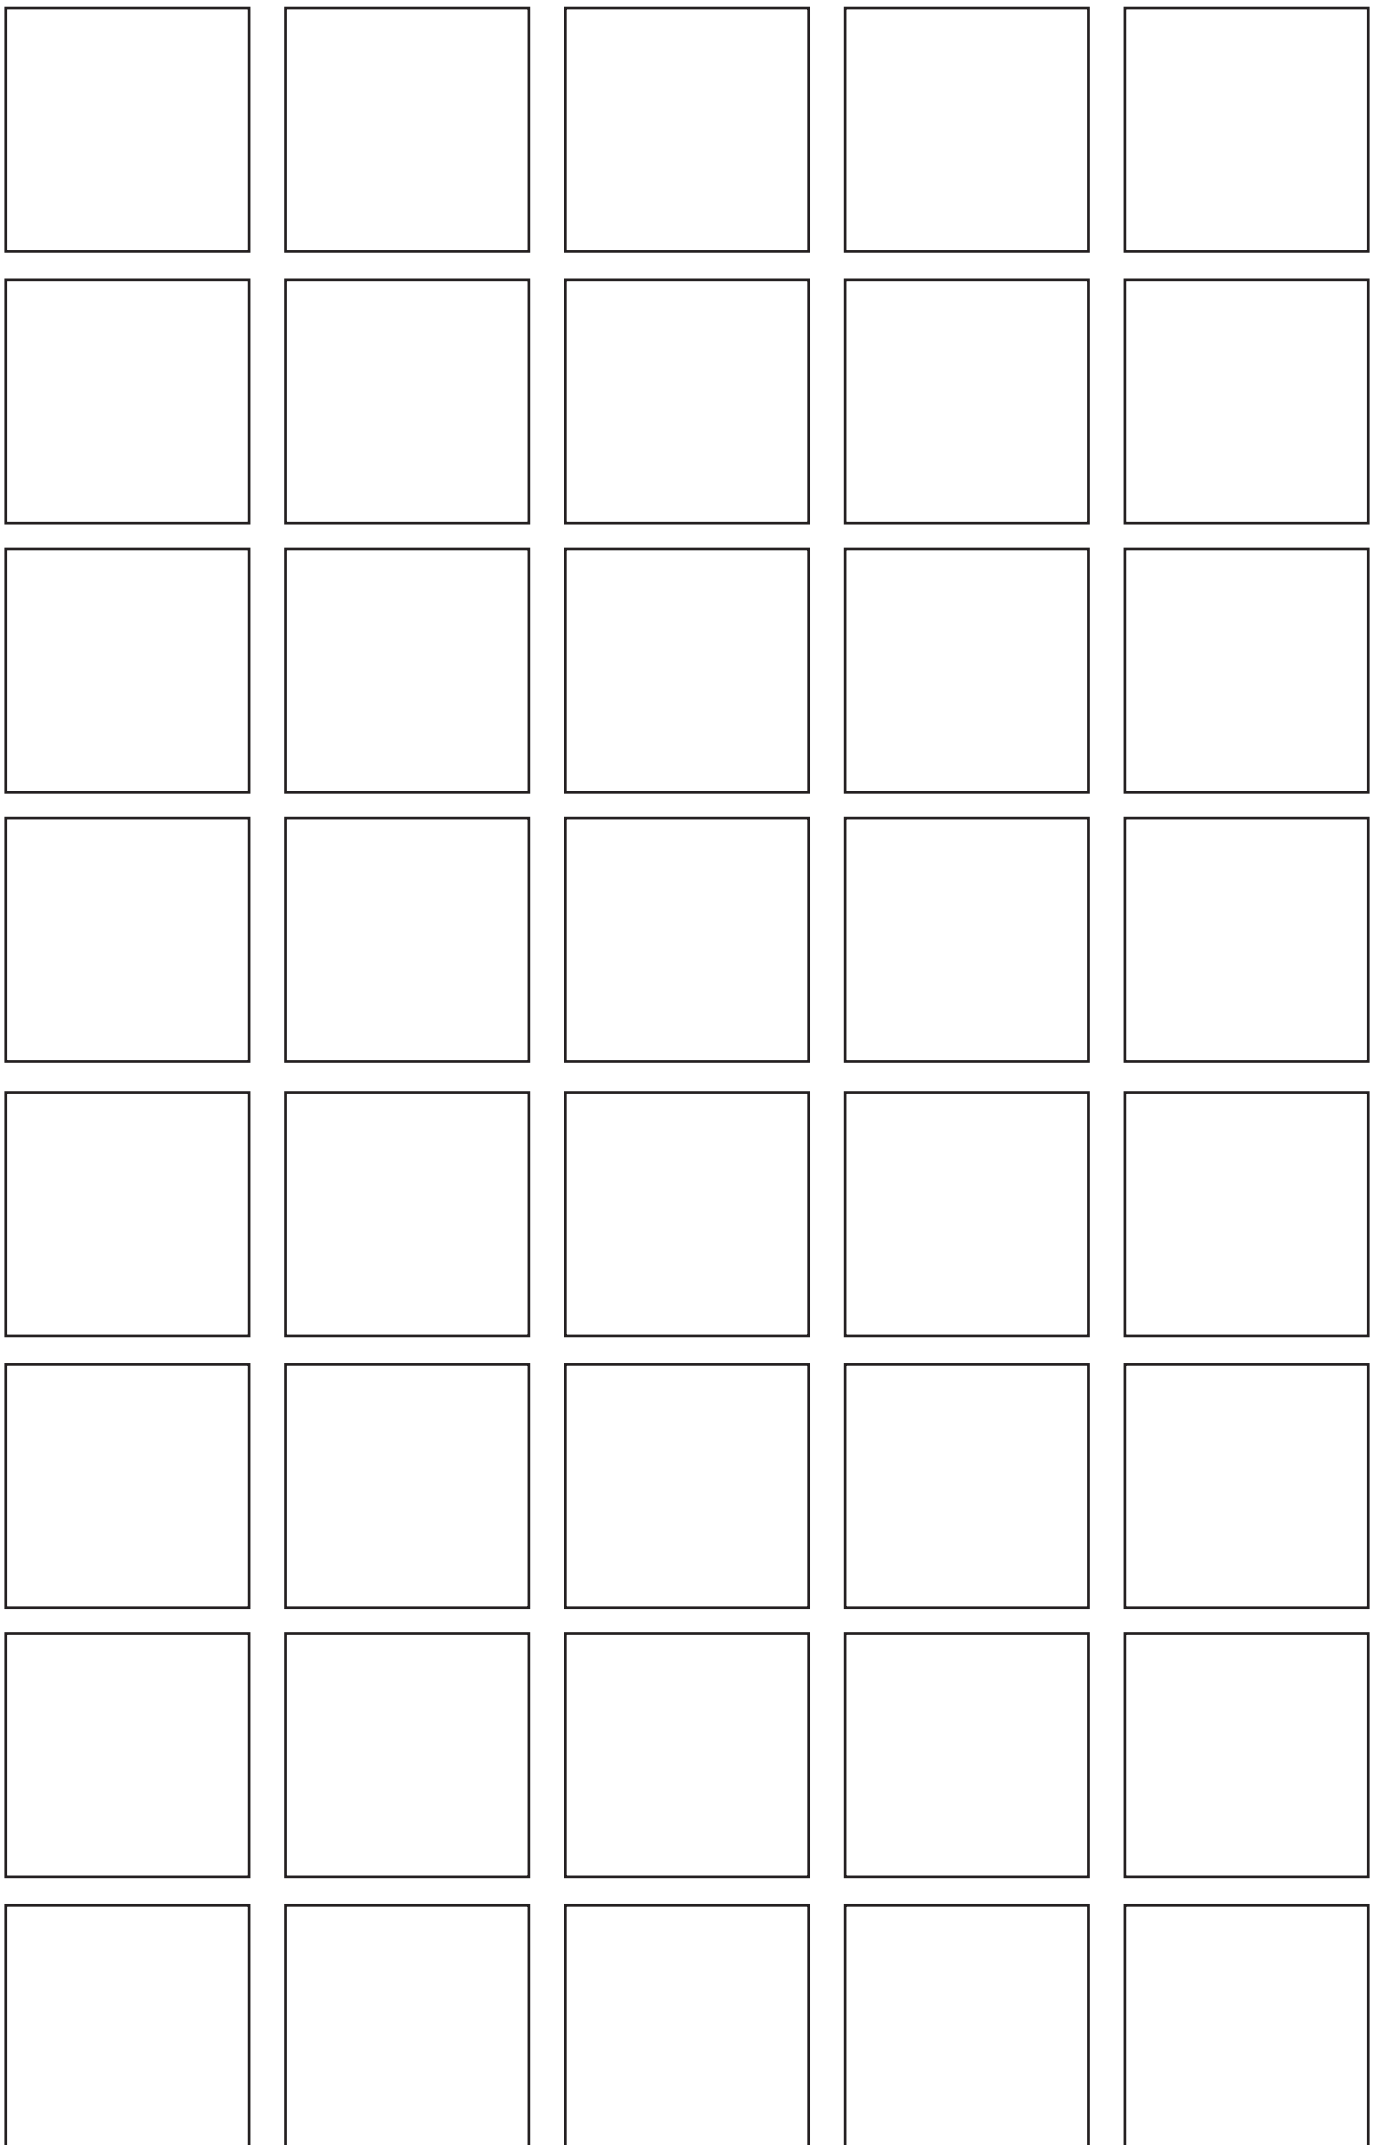

También puedes usar las medidas de referencia para elaborar los diseños con el programa que prefieras.

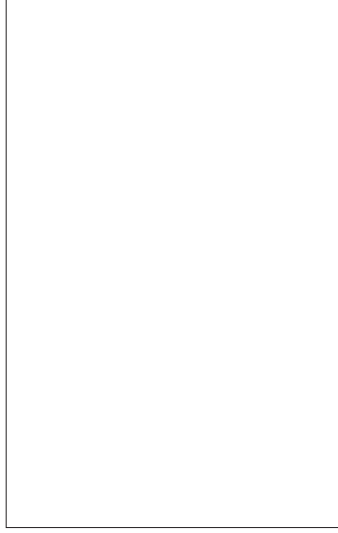

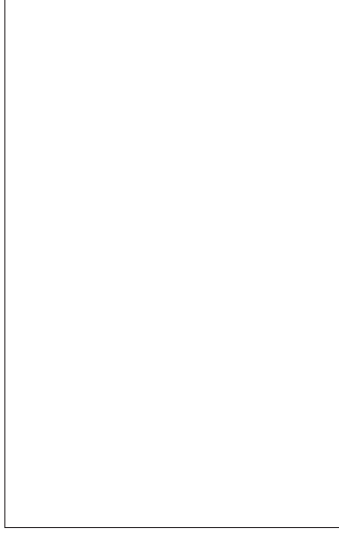

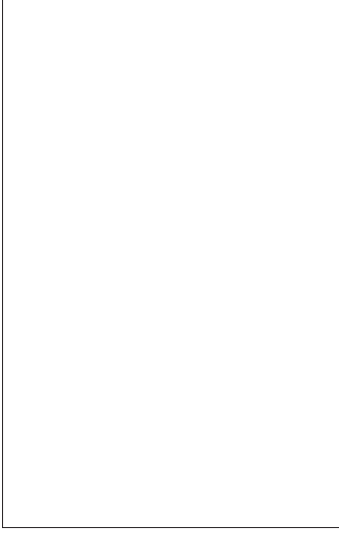

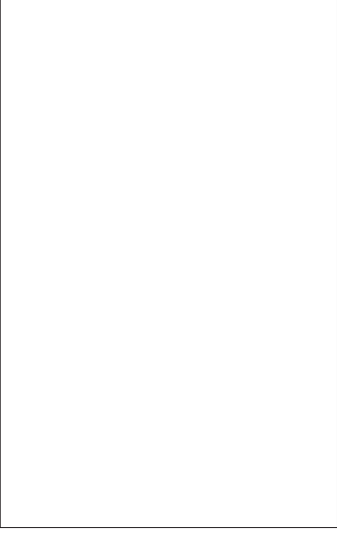

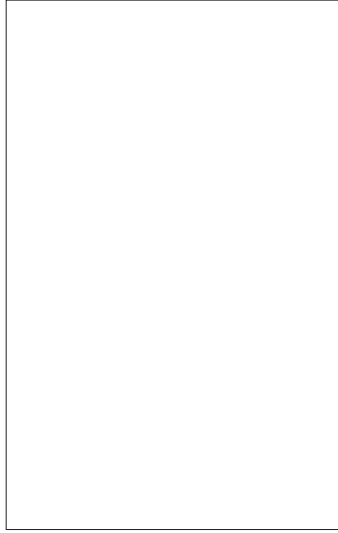

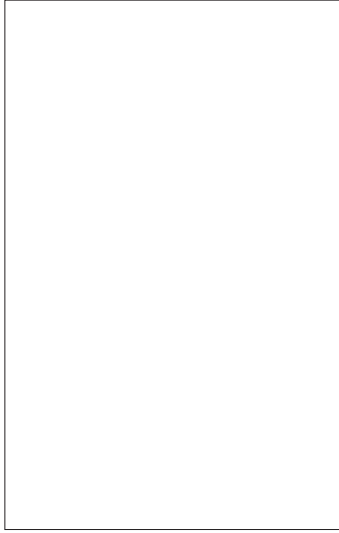

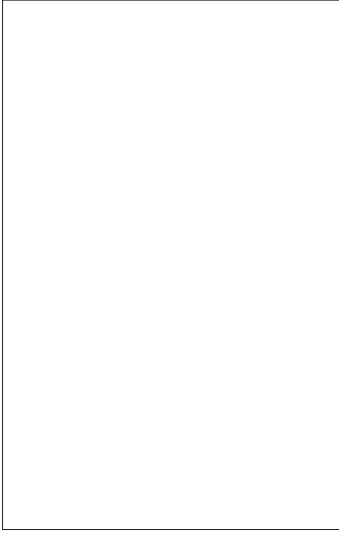

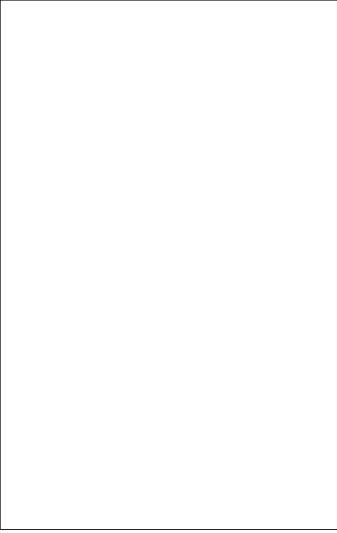

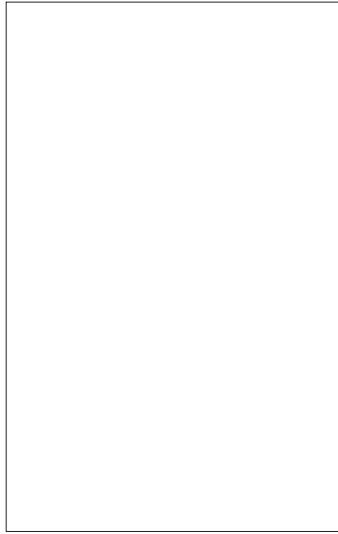

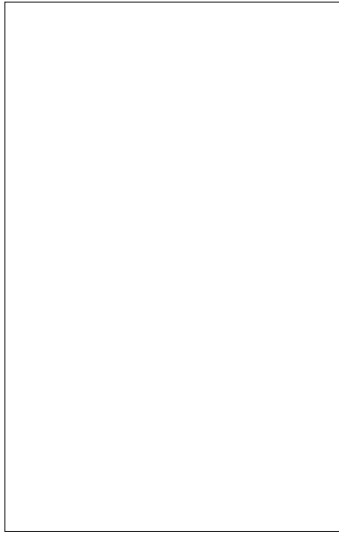

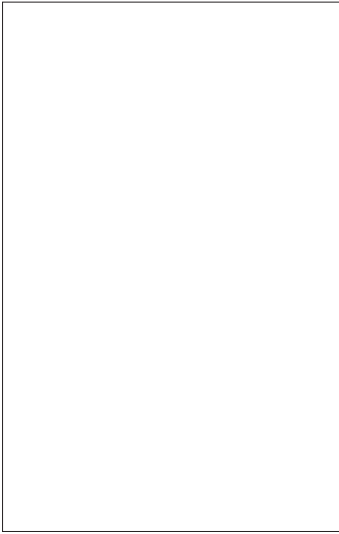

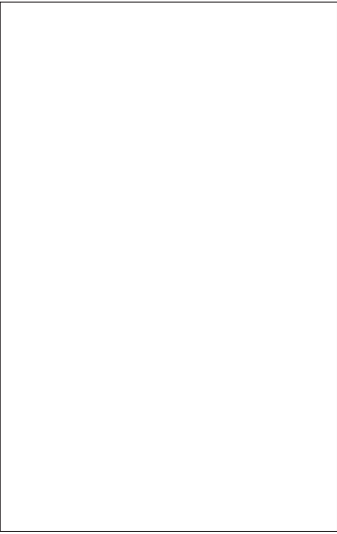

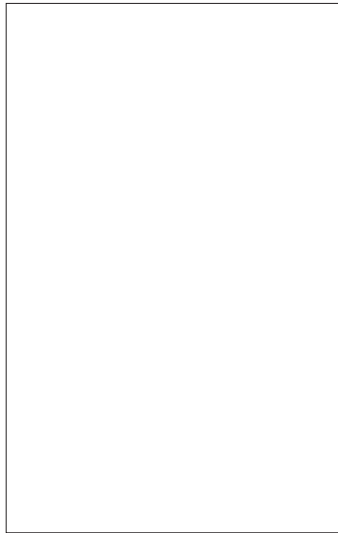

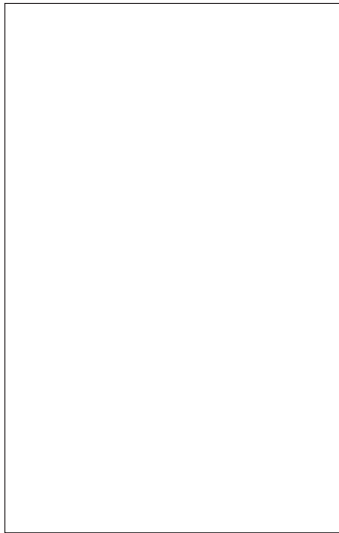

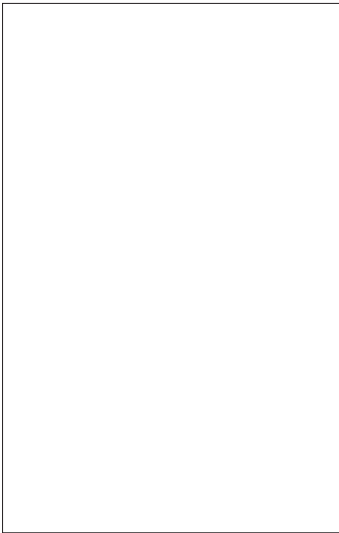

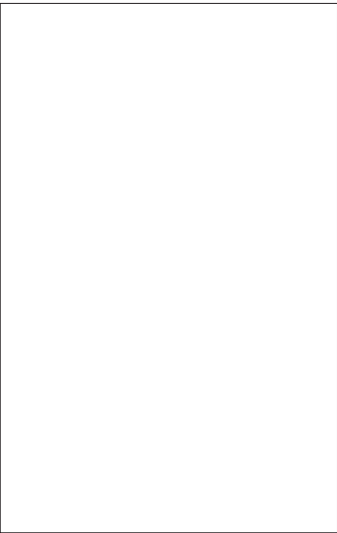

Una vez tengas tus diseños listos, puedes enviarlos a info@uvimark.com indicando el número de pedido para asociarlo con tus diseños.

Puedes consultarnos cualquier duda que tengas, nuestro equipo te asesorará de la mejor manera.
